PROJECTS AND UNIQUE ATTRIBUTES [5]

Wes Watkins Technology Center (WWTC) is committed to working creatively and collaboratively with all stakeholders to improve our district's education system so that our young people are prepared to lead and succeed in the 21st century, and ensure Oklahoma's Career Tech system remains strong and sustains its reputation as the premier educational delivery system.

WWTC maximizes its resources by offering 13 programs that include over 40 majors in the career cluster areas of Health Science, Information Technology, Architecture/Construction, Finance, and Business/Management/Administration. Business and Industry Services include adult continuing education, customized business/industry training, safety training and Agriculture Business Management.

WWTC's partnerships include 10 school districts and four higher education institutions. The school has been active in Technology Centers That Work and recognized as a leader in school improvement initiatives across the nation. WWTC has been recognized as a Gold Star School 19 times by meeting quality performance standards for Oklahoma Technology Centers.
