It's true: What's old is new again. And when it comes to men's styling, it's out with shaggy, unkempt looks and in with clean, *Mad Men*-era cuts. It's classic hairdressing at its finest: a lean shape, a sharp, clean perimeter and a touch of product to give it that timeless look.

Short Cut #2: Short Texturized Cut from TIGI

This short, chic haircut from **TIGI's Game On Collection** has a detailed fringe that gives an element of softness to the edgy shape. The airy, tousled styling adds an extra touch of femininity.
