What: Oklahoma BPA “*Chain of Love*” Service Project.

How: Make a donation, receive your “paper link,” decorate it, and add it to your chapter’s chain.

Who: Proceeds benefit the Saint Francis Children’s Hospital and the OU Children’s Hospital.

When: The sooner the better! Bring your completed chain and final check (made out to Oklahoma BPA for the total money your chapter collected), to the Fall Leadership Conference, October 20, at OKCU.

Why: Each link “*makes a difference*” in the life of a child.
