

Scavenger Hunt #4

Compatible with: OKCIS

OKCIS Component/s used:

- **Occupation File**
 - **Programs of Study File**
 - **Oklahoma Schools File**
-

Getting Started:

Type in the website okcis.intocareers.org.

Enter your OKCIS user name and password and click the sign in button.

Begin at the eOKCIS homepage.

1. Which *occupational cluster* is Surgical Technologists listed under?

Goal: find an occupation using Search

Find the **blue column** titled **Occupations and Employment** (top left)

Click on the menu item **Occupations**

Click on the light blue **Search** bar (across the top)

Type in **surgical** and click **Go**

Click on the matching link **Surgical Technologists**

Notice the list of topics (left side) and that the **Overview** topic is displayed

Click on each topic to see what kind of information is available

Find the heading “**Related Information:**” (middle left side) then click on the **Occupations** link in this section

A list of related occupations and the related occupational cluster will appear.

Answer: _____

2. In general who earns more, individuals who work as a *Surgical Tech* or a *Radiologic Tech*?

Goal: compare occupations side by side by topic using the Compare feature

Click on the light blue **Compare** bar (across the top)

Using the alphabet letters, click on “**S**” then scroll down to find and click on the occupation **Surgical Technologists**

Notice the occupation title is posted in the “occupations to compare” box (upper left)

Using the alphabet characters, find and click on the occupation **Radiologic Technologist**

Click on the **Compare** button (below the “compare” box)

Click on the **Wages** topic to view the answer

Answer: _____
