

## Raising Expectations for CTE Showcase 09

Moore Norman Technology Center-Penn Campus

January 29-30, 2009

**Technology Center Program Administrators**, and the **Oklahoma Department of CareerTech** have partnered to host a targeted event focusing on keeping our key teachers and instructional leaders abreast of the most current instructional strategies targeted at raising CTE student achievement. The agenda includes general sessions, multiple breakout sessions, and opportunities for networking!

**Participants include:** OKIM, local directors, Tech Prep Coordinators, Superintendents, Instructional Administrators, Tech Cap, Perkins Tech Center staff, agency and Tech Centers That Work.

All participants will be eligible for a special drawing during the last session for two High Schools That Work Staff Development Conference Registrations.
