CONTRACT FOR SECONDARY & FULL-TIME ADULT CAREER AND TECHNOLOGY EDUCATION PROGRAM(S) FOR SCHOOL YEAR 2011-2012

It is understood and agreed that Oklahoma career and technology education funds will be used to assist in the development and maintenance of a career and technology education program that meets the standards, provisions, and requirements contained in the State Plan for Career and Technology Education, The Policies and Procedures Manual, the Carl D. Perkins Career and Technical Education Act of 2006, state laws, federal and state rules and regulations, and policies pertaining to career and technology education. All programs supported under this contract have been coordinated with other training agencies and institutions in the area.

It is also understood and agreed that necessary records shall be kept, and all reports required by the State Board shall be submitted to the appropriate area of the Oklahoma Department of Career and Technology Education by the established due date. The Salary and Teaching Schedule is one of these reports and is considered a part of this contract. Those programs delinquent in submitting accurate reports are subject to having reimbursement withheld or withdrawn by the State Board.

The programs listed herein shall have an established local advisory committee to assist in their development and/or direction.

Each recipient of federal vocational funds will be subject to an evaluation of all federally funded programs, services, or activities using criteria established by the Oklahoma Department of Career and Technology Education.

The teacher(s) of the programs listed herein shall have a valid teaching certificate in the specific subject matter area.
