

COLLEGE OF ENGINEERING
OPEN HOUSE COMMITTEE
202 West Boyd
Norman, Oklahoma 73019-0631

May 14, 2009

Dear Counselors and Instructors,

On behalf of the University of Oklahoma's College of Engineering, I would like to extend this invitation to you and your students to participate in our annual Open House event this fall.

The University is dedicated to attracting the brightest students in the state of Oklahoma, and Open House is a great way for these students to learn about the College of Engineering. Tours will be given throughout the day, and students can participate in various design competitions and academic tests designed to spark interest and regard excellence in science and engineering.

The date for this year's Open House has been set for **Friday, November 6, 2009**. We invite you to mark this date on your calendars. Additional information regarding registration and competition guidelines will be sent to you in the early fall.

As always, the College of Engineering's Open House committee will be working hard to make this event an exciting and valuable experience. We look forward to seeing you and your students on November 6th.

If you should have any questions, please feel free to contact me directly via email at cord@ou.edu or call (405) 325-4261 to leave a message for our committee. We will address your concerns as quickly as possible.

Thank you,

Cordareo Swait
2009 Open House Chair
The University of Oklahoma
College of Engineering
