Camps, 2010 6th Grade Boy's Volunteer Basketball Coach,
2013 Tornado Relief through Darden Dimes.
Future Goals I want to obtain my LPN and continue my education securing my BSN and
then eventually adding my MSN. At this point I intend to specialize in
wound care. Why do you want to be a state officer? (in 50 words or less) Becoming a state officer
would initiate advancement in my career, as well as, multiple opportunities for personal
growth and exponential experience. I would make a considerable contribution to HOSA
bringing leadership, organization, and comprehension in the art of nursing. Not only
would I benefit HOSA; HOSA would benefit me.
