Community Activities_Celebration Staff Member, Youth Leadersip Edmond
Applicant (the results haven't been delivered yet)
Future Goals_I hope to attend a fine university where I would like to double
major in business or economics and biology or biochemistry.
After that I want to start my own medicine practice somewhere,
although I don't' know what kind of medicine or where to open it.
Why do you want to be a state officer? (in 50 words or less) _I want to be a state
officer because I wish to lead our future health professionals down
a path of success and learning. I want to make Oklahoma HOSA
the best HOSA in the country. Furthermore, I hope to increase my
own leadership skills at the same time.
