

Oklahoma's Resource for Economic and Workforce Development Training

Oklahoma's Career and Technology Education System is focused on developing a world-class workforce.

Last year, CareerTech:

Helped Oklahoma businesses secure more than \$550 million in contracts.

Aligned career pathways with workforce pipeline, engaging industry through work-based learning.

Served more than 8,000 companies.

Provided customized training for more than 2,500 NEW jobs.

THE WAYS WE HELP OKLAHOMA BUSINESSES

- ▶ Industry-specific training
- ▶ Safety/health training
- ▶ Leadership/organizational development training
- ▶ Business consulting
- ▶ Entrepreneurial services

SECONDARY AND POSTSECONDARY TRAINING

- ▶ Oklahoma CareerTech System graduates added more than \$3.5 billion annually to the state's economy.
- ▶ Oklahoma CareerTech annual enrollments totaled more than 558,000.
- ▶ Forty-three percent of Oklahoma 9th-12th grade students were enrolled in CareerTech classes.
- ▶ Work-based learning opportunities include apprenticeships, internships and job shadowing.

SUPPORTING OKLAHOMA'S ECONOMIC ECOSYSTEMS

Oklahoma CareerTech offers workforce training for critical occupations in both Oklahoma's driver ecosystems and complementary ecosystems.

- ▶ Curriculum validated by industry
- ▶ All programs required to have business and industry advisory committees
- ▶ Flexible and timely delivery
- ▶ Statewide infrastructure to work at the speed of business
- ▶ Industry-endorsed and aligned certifications and credentials
