Statement of Need and Obligation

Please type and attach a one-page, single spaced essay (approximately 500 words) that supports your need for scholarship dollars and addresses your interest and commitment to the CareerTech teaching profession. Use this opportunity to provide the selection committee with facts about you, including relevant background information. Incorporate any CareerTech experience you have, including any certification or license you may have earned in a CareerTech program. Briefly explain how your college education will be or is being financed and describe any special circumstances that illustrate a need for the scholarship.

References

Please provide two letters of reference. The scholarship committee will be looking for evidence of personal character, professionalism, integrity, academic commitment, and your interest in becoming an Oklahoma CareerTech teacher. One letter of reference may be submitted by the individual verifying your educational intention.

Verification

Please provide current documentation to indicate your educational intention to become a CareerTech teacher. This document should be signed by your advisor, teacher educator, or school administrator. Acceptable documentation could be a current plan of study, recent transcript, etc. Please provide the name, title, and contact number of the person verifying your educational intention.
