Mr. Dwight Hughes, Superintendent
High Plains Technology Center
3921 34th Street
Woodward, OK 73801-7000

Dear Mr. Hughes:

The Oklahoma Board of Career and Technology Education received an update of programs that will be offered by High Plains Technology Center School District No. 24 for the 2018-19 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Woodward campus.

The State Board approved High Plains Technology Center for continued full postsecondary accreditation on May 19, 2016. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for the 2020-2021 school year. Please call me at (405) 743-5515 if you have any questions or if I can be of assistance. Thank you for your commitment to providing quality career and technology education.

Sincerely,

Dawn Lindsley
Accreditation Manager
