Mr. Brady McCullough, Superintendent
Autry Technology Center
1201 West Willow
Enid, Oklahoma 73703-2506

Dear Mr. McCullough:

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Autry Technology Center School District No. 15 for the 2020-2021 school year. The purpose of this letter is to show approval and addition of that program for reporting to the U.S. Department of Education for inclusion on your Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Enid campus.

The Oklahoma State Board of Career and Technology Education approved Autry Technology Center for continued full postsecondary accreditation on March 29, 2018. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for the 2022-2023 school year. Please call me at (405) 743-5575 if you have any questions or if I can be of assistance.

Thank you for your commitment to providing quality career and technology education.

Sincerely,

Randy Feagan
Accreditation Manager
