Dr. Doug Major, Superintendent
Meridian Technology Center
1312 S. Sangre Road
Stillwater, OK 74074-1899

Dear Dr. Major:

The Oklahoma Department of Career and Technology Education has received and reviewed an update of programs to be offered by Meridian Technology Center School District No. 16 for the 2020-2021 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Stillwater campus.

The Oklahoma State Board of Career and Technology Education approved Meridian Technology Center for continued full postsecondary accreditation on January 21, 2020. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for the 2024-2025 school year. Please call me at (405) 743-5575 if you have any questions or if I can be of assistance.

Thank you for your commitment to providing quality career and technology education.

Sincerely,

Randy Feagan
Accreditation Manager
