Mr. Rick Mendenhall, Chief Operations Officer
Mid-Del Technology Center
1621 Maple Drive
Midwest City, OK 73110-4825

Dear Mr. Mendenhall:

The Oklahoma Board of Career and Technology Education received an update of programs that will be offered by Mid-Del Technology Center School for the 2018-19 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Mid-Del campus.

The State Board approved Mid-Del Technology Center for continued full postsecondary accreditation on March 29, 2018. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for 2022-23 school year. Please call me at (405) 743-5515 if you have any questions or if I can be of assistance. Thank you for your commitment to providing quality career and technology education.

Sincerely,

Dawn Lindsley
Accreditation Manager
