

September 18, 2018

Mr. Lindel Fields, Superintendent
Tri County Technology Center
6101 S.E. Nowata Road
Bartlesville, OK 74006-6029

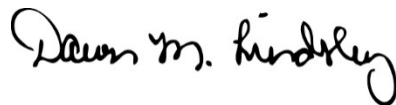

Dear Mr. Fields:

The Oklahoma Board of Career and Technology Education received an update of programs that will be offered by Tri County Technology Center School District No. 1 for the 2018-19 school year. The purpose of this letter is to show annual approval of institutional accreditation for any relevant reporting to the U.S. Department of Education. This list indicates the approval for the Bartlesville campus.

The goal of accreditation is to ensure that institutions of higher education meet acceptable levels of quality. Funding approval is contingent upon meeting quality standards or making satisfactory progress toward meeting those standards.

The State Board approved Tri County Technology Center for continued full postsecondary accreditation on June 25, 2015. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for the 2019-2020 school year. Please call me at (405) 743-5515 if you have any questions or if I can be of assistance. Thank you for your commitment to providing quality career and technology education.

Sincerely,

Dawn Lindsley
Accreditation Manager

cc: Dr. Tammie Strobel, Chief Quality Officer
Kerensa Kester, Chief Instructional Officer
Dr. Dennis Grover, Director of Instruction
Laci Davis, Student Financial Specialist
