

OKLAHOMA CareerTech

The Oklahoma Procurement Technical Assistance Center (OkPTAC), will lead you through the maze of government procurement. The OkPTAC, established in 1986 by the Oklahoma Department of Career and Technology Education, trains Oklahoma firms to successfully compete for and perform government contracts. Services are delivered from 10 Technology Centers across the state with 12 PTAC counselors.

OkPTAC Oklahoma Procurement Technical Assistance Center

Local PTAC Counselors will assist you in locating bidding and subcontracting opportunities in manufacturing, construction, services, and research and development. They will help you develop approved quality assurance and inspection systems. The PTAC provides assistance in locating and obtaining federal and military specifications and standards, acquisitions regulations, and other technical information cited in bid solicitations.

Protect yourself from missing valuable opportunities. OkPTAC provides detailed information on the goods and services that government agencies are buying today and provides rapid access to valuable research information, including information on previous buying trends. Call your nearest OkPTAC today for more information.
