

Print a Score Report & Certificate – Student – Occupational

1. **Login** to Questionmark with the provided credentials
 - The link for the testing system can be found under the Online Testing System link at www.okcttc.com
2. Click **My Results**
 - In this section, you are provided with a link to the Score (Coaching) Report & any available Certificates

My Results

Assessment Name	Coaching Report	Score	Finished	Outcome	Badge	Certificates
Midterm Exam	view report	100%	25-Aug-2017 05:32:06 PM	Pass		View/Print

3. Click on the **link** provided to access the **score report or certificate for printing**

These steps are for the Student to retrieve these after testing has been completed if the score report was not printed at that time. Liaisons please see the Bulk Printing directions to print multiple score reports

The CareerTech Testing Center will still provide bulk files of any certificates earned by students. If you need a certificate before receiving the file from us, you can login to the student's dashboard to print the certificate
