

Mozilla Firefox Setting for Viewing Assessment Overview and other Reports When Not Appearing Full Screen

1. Run the **Assessment Overview Report** (see the *CSA Manual* or *CSI Manual* for instructions on running this report)
2. **Right-click (#1)** in the frame and choose **This Frame (#2)**, **Open Frame in New Tab (#3)**

The screenshot shows the Questionmark assessment overview report interface. The report title is "2013 Law PSSC Core Assessment". The report was generated on August 28, 2013, at 12:34. The filters section indicates "No filters specified". The main content area displays a table with the following data:

2013 Law PSSC Core Assessment	
Assessment name	2013 Law PSSC Core Assessment
Assessment ID	3312099752694888
Date/time first taken	March 11, 2013 - 15:23
Date/time last taken	June 11, 2013 - 13:11
Number of times finished	81
Minimum score of those finished	23
Maximum score of those finished	91
Mean score of those finished	62
Least time taken for those finished	0:03:12
Most time taken for those finished	1:17:07

Below the table, there is a section for "Analysis of score bands" showing a score of 57 (66%).

The interface includes a navigation menu with options: Home, Authoring, Administration, Reporter, Analytics, Results, Settings. The language is set to English. The page number is 1 of 1.

Annotations on the screenshot indicate the following steps:

- #1 Right-click: A green callout bubble points to the right-click action on the report frame.
- #2. Select This Frame: A green callout bubble points to the "This Frame" option in the context menu.
- #3. Select Open Frame in New Tab: A green callout bubble points to the "Open Frame in New Tab" option in the context menu.
- #4. Select Open Frame in New Tab: A green callout bubble points to the "Open Frame in New Tab" option in the context menu, with an "or" label between it and step #3.

The context menu is open, showing the following options: Show Only This Frame, Open Frame in New Tab, Open Frame in New Window, Reload Frame, Bookmark This Frame, Save Frame As..., Print Frame..., View Frame Source, View Frame Info. The "This Frame" option is highlighted, and a sub-menu is open showing: Back, Forward, Reload, Stop, Bookmark This Page, Save Page As..., Send Link..., View Background Image, Select All, This Frame, View Page Source, View Page Info, Inspect Element (Q), Adblock Plus: Block frame...

3. You should now be able to see the entire report and print with no problems.
4. If you are still unable to print, please **Right-click (#1)** in the frame and choose **This Frame (#2)**, select **Print Frame (#4)**
