Health & Professional Certification Testing Updates

As our testing sites reopen, please know there may be additional requirements to test at each facility based upon their designated guidelines and polices. In most cases, candidates will be required to:

- Wear a mask provided by the candidate
- Have their temperature taken
- Answer some health questions related to Covid-19
- Maintain social distancing

If you do not see a site listed, we have not received any information as to when they will reopen for testing. We will update this list as more information becomes available.
