SUPPORTIVE HOME ASSISTANT
- Training verification form documenting agency-specific SHA training/skills testing completed at training facility
  - Training must take place at an Oklahoma-based agency
  - The agency providing the training must be the location for those candidate receiving the training
- Clinical administered by ODCTE-approved evaluators only

EMERGENCY MEDICAL TECHNICIAN – BASIC, ADVANCED AND PARAMEDIC (Practice)
- For students from CareerTech training programs only
- Test can be administered by HCP test site coordinators and testing liaisons for traditional programs.

EMERGENCY MEDICAL RESPONDER CERTIFICATION
- Requests for accommodations must be approved by OSDH in writing; written authorization must be provided to test site at time of registration.
- EMT class graduates can take the EMR test if the instructor gets a separate CAN number from OSDH-EMS division to classify the program as an EMR course.

**NOTE:** In order to be listed on the registry, candidates must send the completed Training and Testing Verification form and $10 fee to EMS Division at the OK State Department of Health in OKC. FAXES ARE NOT ACCEPTED!

OKLAHOMA POSSE (PEACE OFFICER SCREENING AND SELECTION EXAMINATION)
- Covers reading comprehension, math calculations, written communication, and writing reports.
- Individual *POSSE* results are provided to CLEET and to the departments/agency indicated during the registration.
- *POSSE* results are communicated to candidates via email. Results are processed the following day. If a candidate does not have an email address, he/she may request that test center mail his/her results. Candidates who want results mailed must provide the test center with a self-addressed, stamped envelope. Candidates should expect to receive mailed results within three weeks of the test date.
- Information and additional resources for candidates can be accessed by clicking the POSSE link at [www.okhcp.com](http://www.okhcp.com).

PRIVATE SECURITY & BAIL ENFORCER LICENSURE
- Private Security exams may not be translated to candidates
- Results are forwarded to CLEET; however, candidates must apply to CLEET for licensure.
- If a candidate fails the written exam 3 times, the candidate must retrain. After retraining, the candidate is allowed 2 more attempts to pass the written.
- Accommodations:
  - A reader will be made available if a candidate has an IEP/504 and has documentation supporting the need for a reader
  - Extended time will be made available if a candidate has an IEP/504 and has documentation supporting the need for extended time.
  - A candidate must make these requests a minimum of 48 hours before testing is scheduled to occur
  - Open book and paper copies will NOT be allowed. If a candidate has a medical issue with reading information from a screen, etc., a reader will be provided for those candidates.
FIREFIGHTER I & II, FIREFIGHTER INSTRUCTOR I & II, HAZMAT AWARENESS

- Candidates for Firefighter 1 must take the written test before participating in a skills exam; however, the candidate does not have to pass the written test in order to participate in a skills testing event.
- Allowed Resources for HazMat Awareness: The test site will provide candidates with a publisher-bound Emergency Response Guidebook (2012) and a SDS sheet. OSU-FST furnished ERGs for each test site when the project was launched in October 2014. These were mailed to each HCP Test Site Coordinator, along with a pamphlet-sized copy SDS. The SDS pamphlet is also a pdf file that can be downloaded from the sFTP system.

ALARM & LOCKSMITH

- Allowed Resources: The test site will provide candidates with a copy of the Alarm and Locksmith Act that must be returned after testing. In addition, candidates may bring/use publisher-bound code books approved for that licensure area into the testing center. Approved resources are identified in the Study Guides on www.okhcp.com. Notes on loose paper, resources in 3-ring binders and other pieces of paper are prohibited. Scratch paper may be provided; however, this must be surrendered to the proctor upon completion of testing. Bringing notes into or taking notes out of the testing center is considered cheating and may result in the denial of licensure.
