CANDIDATE REGISTRATION

Candidates utilizing the online remote proctoring option will need to register with the CareerTech Testing Center before booking an exam session.

Please allow two (2) business days to process your registration and verify your account.

Registering an Account:

- <https://ondemand.questionmark.com/home/405371/>
 - Enter in a username
 - Enter in an email address
 - Enter First Name
 - Enter Last Name
 - Click on Create new Account
- An automated email message will be sent confirming registration with Oklahoma CareerTech and that the status is pending admin approval.
- Once an account has been approved by an admin, another email will be sent with a one (1)-time link to allow you set a password.

EDITING ACCOUNT INFORMATION

Candidates can update the following account settings in the newly created account:

- First name
- Last name
- Password
- Time Zone – must be set to current time zone to book sessions in your time zone

NOTE Please make sure the first/last name fields match the information on your photo ID.

COMPLETING AN EXAM

- Once you have answered all the questions, you can submit your answers for scoring.
- Once you have answered all questions, please inform the proctor that you are ready to submit your answers. Once you have received your result, the proctor will help the candidate end the session. **DO NOT leave the session without notifying the proctor. This could result in your exam session being nullified.**
- You will receive an overall score on the feedback screen.
- There will be a link to take you to the official score report to print
 - If you are unable to print from this screen, log back into your dashboard at: <https://ondemand.questionmark.com/home/405371/>
 - Click on My Results and you can print the score report from this screen as well
 - If taking a **POSSE** exam, you will not receive an immediate score report. A section must be manually graded. Once graded, the official score report will be emailed to the candidate, the employer email address specified, and CLEET or OHP.
