SPECIAL THANKS

The cooperation and dedication of many professionals at the Oklahoma Department of Career and Technology Education were instrumental in producing this publication. The Agricultural Education Division staff provided valuable feedback. Special thanks are due to Kurt Murray, Program Specialist, for his initiative and his dedication to this project.

This publication could not have been printed without the expertise and commitment of the Printing Plant staff, under the supervision of Danny Darrow. Delivery of the final product was accomplished through the excellence of the Curriculum Customer Service staff, under the direction of Lana Austin, and the CIMC Warehouse staff, under the direction of Darrell Stiles. Ranae Abraham efficiently handled the contracts, correspondence, and the committee meetings relating to this publication.
