

Oklahoma Statewide Nurse Refresher Course

Are you an LPN or RN in need of an update in the world of professional nursing? The University of Oklahoma College of Nursing and participating technology centers in Oklahoma's CareerTech system are now accepting enrollments for a Nurse Refresher course.

This course offers three components:

- A self-paced, online nursing theoretical course
- A nursing skills lab
- A clinical rotation module

This course can be completed within six months.

Nurse Refresher Course Facts

1. Meets requirements of the Oklahoma Board of Nursing as an approved Nurse Refresher course.
2. Operates as self-paced, online nursing review with instructor support and faculty supervision for all lab skills and clinical rotation.
3. For more information contact OU College of Nursing's website: <http://nursing.ouhsc.edu/>

5. Total course cost: \$2,599 (nonrefundable)

This course is recommended for the following persons:

- Applicants for registered nurse or practical nurse licensure by endorsement, reinstatement, or return to active status who need to complete a Nurse Refresher Course to meet Board of Nursing requirements.
- Graduates of nursing programs who have not taken and/or passed the NCLEX within two years of completion of their nursing education program.
- Nurses who hold a current license but who have been before the Board for disciplinary action. (Must present a copy of their Board order.)
- Currently licensed Oklahoma nurses who would like an update of nursing knowledge are welcome in this course. These students have the option of taking only the didactic portion of the course.
