This Agreement is between and is concerning the cooperative training and educating of students enrolled jointly in the comprehensive school and the technology center listed above.

In consideration of the mutual promises herein contained, the parties have agreed and do hereby enter into this Agreement according to the provisions set forth herein:

1. Purpose: The technology center and comprehensive school district desire to enter into a joint program, pursuant to SB 1271 (49<sup>th</sup> Legislature) 70 O.S. 11-103.6(3), in order to provide a Focused Field of Study STEM Pathway with math and science credit to the schools' high school students.
2. Program: It is the parties' intention to enter a partnership that will provide an opportunity for sophomores, juniors, and seniors to attend the Focused Field of Study located on the technology center's campus for the purpose of taking classes that are specific to the STEM Pathway field and high level math and science courses.
3. Students: Students shall be enrolled in both the comprehensive school and the technology center jointly. Students will be selected to attend according to established enrollment guidelines.

In Witness whereof, the parties have by their duly authorized representatives set their signature.
