

BisCert PRO

The BisCert PRO program is designed for BIS and ACD Coordinators, Managers or Directors who are seeking leadership opportunities in the future or who have recently become leaders at their technology centers. The BisCert PRO program will help you in developing your leadership style, in strengthening your communication skills and in nurturing productive partnerships both internally and externally. Participation is limited to 20. Participants may be limited to one person per technology center.

Participants will:

- Receive a John Maxwell DISC Profile - including 34-page report
- Learn how to prioritize responsibilities and set effective goals
- Understand how to communicate effectually and meaningfully with team members, clients and administrators
- Learn how to cultivate positive economic development partnerships
- Understand how to develop and deliver effective sales and marketing strategies

Participant Requirements:

- Must have completed the BIS Certification Program (BISCP)
- Be employed at a technology center
- Be able to attend all four sessions – *no substitutions will be allowed*
- Cancellations will be accepted up to 10 days prior to August 20, 2021.

Meeting Dates and Locations:

August 24, 2021	CareerTech - Stillwater
September 28, 2021	Tri County Technology Center – Bartlesville
October 19, 2021	State Chamber of Oklahoma – Oklahoma City
November 16, 2021	Gordon Cooper Technology Center - Shawnee

Price: \$725pp (includes materials and meals)

Application Deadline: Friday, July 30, 2021
