The **Professional Selling and Consulting Events** provide an opportunity for participants to demonstrate skills needed for a career in sales and/or consulting. Participants will organize and deliver a sales presentation or consultation for one or more products/services/customers.

The guidelines for each of the Professional Selling and Consulting Events have been consolidated to facilitate coordination of participant activities in each of the occupational categories. This means the evaluation form will be the same for each occupational area. However, each occupational area will deliver a sales presentation or consultation for a different product or customer described below in the “Products/Services and Target Customer Descriptions” section.
