

Backdrop Design Contest – FLC 2018

Posting to social media is much more fun when you have an eye-catching backdrop!

That is why this year we are starting a “Backdrop Design Contest” open to all BPA & DECA chapters.

Simply design a backdrop that focuses on: BPA, DECA, FLC, leadership, or the 2018 theme “Empower”. Use one idea or combine them all into a cohesive design that will surely attract members to take a photo in front of it at FLC. Don’t forget to incorporate the **#okflc** hashtag in your design!

Contest Guidelines

- Must be an active BPA or DECA chapter
- Each chapter may submit a maximum of two entries per division (M/L, Secondary, Post-Secondary)
- The students must create an original design. Entries with copyrighted images such as logos, sports mascots, etc., will not be accepted
- Designs must be submitted in JPEG format
- Only digital entries will be accepted (no hand drawings or sketches)
- Designs can be reflective of BPA, DECA, FLC, leadership, and/or the 2018 theme “Empower”
- Be sure the design will print in large format
- Each chapter will be responsible for printing their own backdrop
- Printed designs should be secure so that nothing falls off or makes a mess at conference

Send your final designs to Paxton Cavin (paxton.cavin@careertech.ok.gov) by **September 28, 2018** at 5PM. Once the top designs are selected, the designers will be notified no later than October 2, 2018.

Winning designers will need to print their backdrops and bring them to FLC. Specific details will be emailed to winning designers prior to FLC.
