

John F. Kennedy said, *“Leadership and learning are indispensable to each other,”* and frankly, I couldn't agree more. Hello Oklahoma FCCLA, my name is Mason Brasel, and it would be my pleasure to learn with you this year as a member of your 2019 - 2020 State Executive Council. Having served both as a local and district officer, I believe that my quality of Leadership and skill in communication have been cultivated through the experiences I have had because of this organization. Now, I'll be the first to admit that I'm not perfect, but that's the beauty of it all, this is the perfect opportunity for all of us to grow and learn together. I am ambitious, intelligent, organized, and I believe that I can provide a unique outlook for our State Executive Council. I believe that, through this organization, we can work as a state to be a force of good in our families and communities. My name is Mason Brasel, and I truly hope that you will join me as I face the future with warm courage and high hope.
