HOSA Campaign Speech

Hi, my name is Miriam Hendrix and I am running for HOSA state office. I'd like to take a minute and tell you just a little bit about myself. I love being involved in organizations and activities, such as; National Honor Society, National Junior Rodeo Association, track, cross country, cheer, choir, musicals and plays, and even mission trips with my church. I love all these organizations and activities, but really, my heart is in healthcare. I would love the opportunity to serve as a HOSA officer. This will help me hone in on my skills as a future healthcare representative. I have new concepts, new insights, and ideas, that I bring to the table. I want to contribute and lean into what other people have to say, to create new ideas, to be able to say that this was not a one-man show, but a team. I believe that an effective leader is someone who listens and is a servant to others and other people's needs. I would love the opportunity to be considered as a HOSA officer. Thank you so much for your time and your consideration.
