HOSA Candidate Speech: YouTube video

Hello, Oklahoma HOSA, I'm Monica Cano, and I'm running to be your next Oklahoma state officer. I am currently a post-secondary student attending career tech to become a surgical technologist. I've been involved with HOSA for three years and am currently president of my local chapter. I was introduced to HOSA during my junior year of high school and got the opportunity to attend fall conferences, which ignited my passion for HOSA. I then knew this organization would help guide me through my career aspirations.

Throughout my HOSA adventures, I've gotten the opportunity to develop valuable leadership skills such as collaboration, perseverance, and commitment. I would love the opportunity to serve Oklahoma HOSA members at the state level and grow with the organization that's given me so many opportunities and knowledge. Ever since I was a little girl, I knew I wanted to be in the health field to help others and give back to my community. As quoted by Estee Lauder," I've never dreamed about success, I've worked for it."

This quote motivated me to get a head start in my career goals and attending career tech. With the certification I was able to earn, I was ready to dive right in and obtain a job in the medical field. Through hard work, dedication, and determination, I was able to obtain a leadership position. This role encourages me to return to school and further my education and leadership skills. If elected as a state officer, I will work tirelessly to ensure the success of Oklahoma HOSA for the upcoming year.

Remember, if you want success, vote for the best Monica Cano for your next Oklahoma HOSA State officer! Thank you for your time, and God bless!
