This award is presented to a beginning HOSA advisor (with no more than three years experience) who has made an outstanding contribution to HOSA through his/her special enthusiasm and commitment. Recommended advisors should possess traits such as dedication to students and the Health Careers Education/HOSA partnership, as well as a caring and encouraging personality. Please take this opportunity to help us recognize a “Rookie” Advisor who has significantly affected HOSA and its members in a positive way. From the forms received, a committee will select one advisor from each division to honor at the State Leadership Conference.

If you have an advisor whom you would like to submit as someone who meets these criteria, please complete this form.

Name of advisor submitted ___________________________________________________________

Advisor’s School/Chapter __________________________________________________________

School phone _____________________________________________________________________

Circle one:  MIDDLE SCHOOL  SECONDARY  POSTSECONDARY

Will this advisor be attending the State Leadership Conference?  Yes  No

Give an example of what makes this advisor outstanding to you and to HOSA. Use the back of the page if necessary.
