Registration

Anatomage Anatomy Tournament registration is through the HOSA online conference registration system---OK Anatomage Tournament

Anatomage Anatomy Tournament is NOT considered a HOSA competitive event. Students can compete in a HOSA competitive event PLUS the Anatomage Tournament.

Anatomage Anatomy Tournament is a team event made up of 1-5 team members in the same classification (secondary and postsecondary).

Tournament Process

1. Teams will be sent log on credentials to advisors email.
2. All tournament details will be included in the advisor email sent with log on credentials.
3. Email with credentials will be sent at point of registration and the day before event.
4. Teams do not have to be together live. Teams can be logged in onto Zoom.
5. Each team will have one (1) "captain". The function of the "captain" is to maneuver the cadaver and locate the appropriate structure. Team captain will need Zoom downloaded on either PC or Mac.
6. Team members can verbally coach the "captain" to the correct location of the structure.
7. Teams will have 30 minutes to complete a 4-6 minute quiz each round which includes practice time.

Prelim Rounds-20 questions-26 minutes practice-4 minutes competition round

Top 8 Rounds-25 questions-25 minutes practice-5 minute competition round

Final 4 Rounds-25 questions-25 minutes practice-5 minute competition round

Championship Rounds-30 questions-24 minutes practice-6 minute competition round

8. Point System: 10 points for correct answers -1 point for incorrect answers
9. Teams have the option to skip a structure and will be able to go back to that structure if time allows.
10. Teams will advance by total score per round
11. Tie breakers will be broken by percentage correct of structures attempted.
