

# 2021 State Leadership Conference Agenda

## Monday, April 12, 2021

9:00am-2:00pm Exhibit Hall Open

<b>Morning Sessions</b>		
9:00am-10:00am	Opening Session	
10:30am-11:00am	Service is Connecting your Passion to Someone Else's Need	By hating what you are doing and doing it anyway, you are giving service a bad name. In this talk, Jaime Parker redefines community service by urging people to stop engaging in volunteer activities that make them miserable, because misery is contagious. Instead, she urges people to find a volunteer job that makes them excited and to use their passion to brighten the life of another person.
<b>Afternoon Sessions</b>		
1:00pm-2:00pm	Opening Session	
2:30pm-3:00pm	Service is Connecting your Passion to Someone Else's Need	By hating what you are doing and doing it anyway, you are giving service a bad name. In this talk, Jaime Parker redefines community service by urging people to stop engaging in volunteer activities that make them miserable, because misery is contagious. Instead, she urges people to find a volunteer job that makes them excited and to use their passion to brighten the life of another person.

## Tuesday, April 13, 2021

9:00am-2:00pm Exhibit Hall Open

<b>Morning Sessions</b>		
9:00am-9:30am	Get Back on the Horse	Amberley shares her experience from living the perfect life to it all crashing in an instant. A rollover accident leaving her paralyzed changes everything. She learns how accepting help and serving others can be such an important part of life. Amberley shows how life knocked her down, but with the help of her family, friends and faith she has worked to "get back on the horse."
10:00am-10:30am	Leaders Self Care	Awesome leadership can be exhausting. You want to do great and show up with all your energy. But you need to take care of your greatest == YOU! This interactive session shares some unique approaches to taking care of yourself. Enjoy the stories and activity to find which self-care strategy you want to use first!

11:00am-11:30am	Do you have to be a doctor to work in medicine? Exploring the wonderful world of Medical Careers.	Meet Tom Warrender, the Human Guinea Pig! During his talk, Tom will take you on a journey around the human body by performing a series of medical procedures using amazing medical gadgetry to explore how big his body is! Be prepared to have your minds blown by what is possible! In watching these fantastic medical demos, you'll discover some of the exciting careers in the medical sector, that are accessible to young people who have a passion for science. The world of STEM is a BIG wide world of opportunity, waiting to be discovered!

### Wednesday, April 14, 2021

<b>Morning Sessions</b>		
9:00am-10:30am	Awards Session	

11:00am-11:30am	3 R's for Success	A walk through the core foundations that help us bring value from day 1. This includes recognizing how you live in your values, maintaining relevancy in your new career and as you grow, understanding the value of resiliency and response as ways to establish a reputation for being coachable, responding to challenge, and focused on outcomes. These skills serve you while in school, preparing for interviews, working in new roles, and help you begin answering the question, "What kind of leader do I want to be?"
