

Selecting State Champions
Updated information as of March 30, 2020 in Red

Testing Events. There are **39 competitive events** that have a testing component as part of the guidelines. Even though the ideal is for the testing to serve as Round 1 to advance to Round 2 in several events; in the situation we are experiencing, **Round 1 will be used as the final result.**

The 39 competitive events that will be used for winner selection are:

• Behavioral Health	• Human Growth and Development
• Biomedical Debate	• Life Threatening Situations
• Biomedical Lab Science	• Math for Health Careers
• CERT Skills	• Medical Assisting
• Clinical Nursing	• Medical Law and Ethics
• CPR/First Aid	• Medical Math
• Creative Problem Solving	• Medical Reading
• Cultural Diversity and Disparities in Healthcare	• Medical Spelling
• Dental Science	• Medical Terminology
• Dental Terminology	• Nursing Assisting
• Dynamic Decisions	• Nutrition
• EMT	• Organizational Leadership
• Epidemiology	• Parliamentary Procedure
• Forensic Science	• Pathophysiology
• Foundations of Medical Terminology	• Pharmacology
• Health Career Exploration	• Pharmacy Science
• Healthcare Issues Exam	• Physical Therapy
• Healthy Lifestyle	• Sports Medicine
• Home Health Aide	• Veterinary Science
• HOSA Bowl
