Definition of a Chapter

A chapter is defined as a group of nationally and state affiliated members that have elected an officer team.

Emblems and Colors

The emblem of HOSA is a circular design with a triangle inside containing the symbolic figure of a person and hands. The design is described and protected from infringement by trademark registration numbers as filed with the United States Patent Office. The use of this emblem will be governed through each chartered state association under policy established by the Board of Directors.

BRAND and COLORS

The emblem of HOSA is the word “HOSA” horizontally written in the color navy with a maroon-colored incomplete circle partially surrounding the letters “H,” “O,” “S,” and a tan-colored triangle contained within the letter “O” followed by the words “Future Health Professionals” written in the color maroon. (voted on by Voting Delegates at 2018 ILC)

The official (as voted on by the Voting Delegates at 2018 ILC) colors of HOSA are navy blue, maroon and white.

The HOSA motto is “The Hands of HOSA Mold the Health of Tomorrow.”—(as voted on by the Voting Delegates at 2018 ILC)

The HOSA slogan is “Health Science and HOSA: A Healthy Partnership.”—(as voted on by the Voting Delegates at 2018 ILC)

The HOSA tagline is “HOSA—Future Health Professionals.”
**HOSA-Future Health Professionals Creed**

I recognize the global need for quality, compassionate healthcare.

I understand the importance of both academic excellence, skills training, and leadership development in my career pathway.

I believe that through service to my community and to the world, I make the best use of my knowledge and talents.

I accept the responsibility of a health professional and seek to find my place on a team equally committed to the well-being of others.

Therefore, I will dedicate myself to promoting health and advancing healthcare as a student, as a leader, an educator, and a member of HOSA-Future Health Professionals.

**HOSA Advisory Council**

Oklahoma HOSA Advisory Council meets one time per year. The purpose of this council is to provide support and guidance to the OK HOSA State advisor and the state association. This meeting is also used to share updated information from National HOSA. The State Advisor leads the meeting and prepares the agenda. Minutes from each meeting will be taken and then posted on the OK HOSA website. If an advisor/school has an item that they would like to be added to the agenda, the REQUEST FOR AGENDA TIME (see attached document) must be submitted. The number of votes per school (see attached document) is determined by their HOSA membership the previous year.

Substitution Policy for State Leadership Conference (SLC)
The SLC and competitive event registration is for an individual. After registration closes, registrants can not be deleted nor be substituted with another individual.

After registration closes, substitutions/changes can be made on team events only. Individuals may be dropped from conference registration but must still pay the conference registration fee. Students may not change individual events. A student (who is already registered for conference) may be added/substitute to a team event if they are willing to be taken out of their individual event.

IEP vs. 504 Definition for competitive events
Students who are classified under the provision of the 2004 reauthorized Individuals with Disabilities Education Act (IDEA) may compete in the following events: Personal Care, Speaking Skills, Interviewing Skills, and Life Support Skills. Students classified under Section 504 are NOT eligible to compete in these events. Each student in these events must submit the “Student Eligibility Form” (found on the last page of these event guidelines). For OK SLC, the student will submit this form at event orientation. For ILC, the student will email this form to National HOSA according to an established deadline.
