SPRING 2020

Overview and Purpose

- The purpose of this guide is to provide answers and expectations during our time of virtual learning.
- Our strategy is to maintain academic rigor while providing instruction that is in alignment with industry expectations.

Expectations

- Students will be required to complete all assignments given by their teachers, whether by Canvas, or another means.
- Students should expect to spend approximately 1 to 1 ½ hours per day completing Southern Tech course work. Some students may need additional time.
- Virtual assignments should be submitted digitally by the due dates indicated by the program instructors.
- All assignments are digital, so paper packets will not be available

Communication with Instructors

You can contact your instructor using Teams, email, or messaging within Canvas.

Graded Work

- Academic expectation and integrity remain in force. Grades per can be expected throughout the week.
- Remember, potential employers want to know if you have the skills, so don't let a letter grade be the deciding factor of success.

Personal Belongings

- Contact your instructor to make arrangements to pick up personal belongings.
- Please know that we will be following CDC guidelines through this process. Students must get their belonging and immediately leave campus.

Major Events

END OF SEMESTER DATES

- The last day of instruction for most programs will be May 8, 2020
- Check with your instructor for further clarification. Some programs have hour requirements that must be met in order to complete.
- Remember, potential employers want to know if you have the skills, so don't let a letter grade be the deciding factor of success.

AWARD ASSEMBLIES

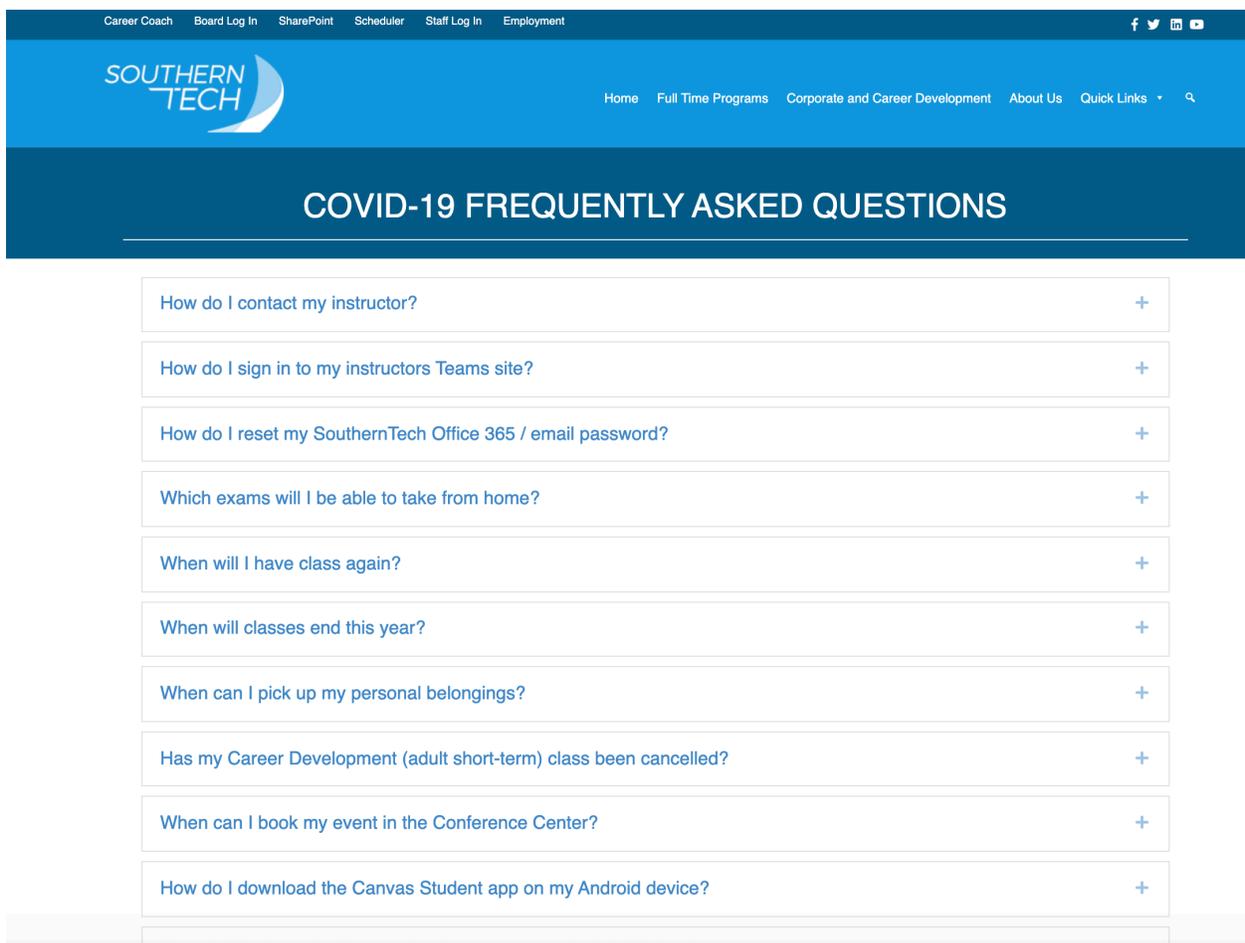

- All of Southern Tech's award assemblies have been postponed.
- Be sure to check the website and social media channels for possible live streaming of awards.

2020-21 Enrollment

- SouthernTech is currently working on accepting students into programs. You will be notified via mail by end of May, 2020
- If you have questions, please contact Student Services at dfisher@soctech.edu
