Mr. David Lassiter, Superintendent
Pontotoc Technology Center
601 W. 33rd
Ada, Oklahoma 74820-9791

Dear Mr. Lassiter:

The Oklahoma Board of Career and Technology Education received an update of programs that will be offered by Pontotoc Technology Center School District No. 14 for the 2019-2020 school year. The purpose of this letter is to show approval of the programs that you will be reporting to the U.S. Department of Education for inclusion on the school's Eligibility and Certification Approval Report (ECAR). This list indicates the programs approved for the Ada campus.

The State Board approved Pontotoc Technology Center for continued full postsecondary accreditation on February 21, 2019. This accreditation remains valid as long as the school continues to satisfy the conditions for accreditation as established by the State Board, not to exceed a five-year period. It is the responsibility of the accredited institution to report (within 30 days) any substantive program or institutional change that might affect its accreditation status. The next onsite evaluation is scheduled for the 2023-2024 school year. Please call me at (405) 743-5410 if you have any questions or if I can be of assistance. Thank you for your commitment to providing quality career and technology education.

Sincerely,

Justin Lockwood
Deputy State Director
